**YOU SERVED, NOW STAY
50% Discounts in Washington, DC
For Veterans and Active Military Personnel**

WASHINGTON, D.C., (November 3, 2009) – After it's successful launch this summer, The Carlyle Suites and Savoy Suites Hotels have extended their "**SERVE AMERICA & STAY IN DC**" program through the winter holiday season and have found a way to give even more!

Through January 30th, 2010 these hotels will accept military service as the fulfillment of the service requirement of the program. This means that any member of the Army, Navy, Air Force, Marines or National Guard can receive a 50% discount on their stay in Washington, DC when they make their reservation through the hotels' "**YOU SERVED, NOW STAY**" program.

All guests who book their vacation at either of these two premiere Washington, DC hotels have the opportunity to pay for a portion of their visit with the hours of service donated to organizations back in their hometown. For every 5 hours volunteered, these two hotels will refund 50% of their room bill per night! In addition, any member of our Armed Service receives an automatic 50% discount off of their room rate simply by providing proof of service. "This program allows us to recognize the service of our armed forces and thank our guests for the contributions they make to their communities back home," says Spigler. "Washington, DC is such a vibrant city and every American should visit our Capital at least once! Not only can your service defray the cost of your stay, but most every attraction in the city is FREE, making DC the best destination value in our country!"

Service as currency is an innovative answer to our Nation's call to service developed by the staff of these two Washington, DC hotels. The "**SERVE AMERICA & STAY IN DC**" program gives its guests the opportunity to answer the call and participate in the renewal and recovery of our country. "The hours of community service donated benefit the hometowns and local jurisdictions of each of our guests," says Richard Spigler, President of The Carlyle Suites & Savoy Suites Hotels, "and helps defray the cost of their vacation at the same time. We're hopeful that this program will give families the opportunity to take an awesome trip to our Nation's Capital while at the same time help their local community! With the expansion of the program to include Military Personnel we hope to be able to help facilitate some happy homecomings for our service men and women as well."

What if guests simply can't serve but want to contribute? "For guests who are not able to donate their personal time, we will donate their dollars." The "**Serve America and Stay in DC**" program allows guests to donate 50% of their room bill to a community service organization of their own choosing.

Here's how the programs work:

- If you are a Veteran or Active Duty member of our country's armed forces, **THANK YOU!!** You have already provided service for which we are eternally grateful. Book your reservation at www.SavoySuites.com or www.CarlyleSuites.com under the "**YOU SERVED, NOW STAY**" package. You will receive a 50% discount off of your room rate with evidence of your military service
- If you are a volunteer, book your reservation at www.SavoySuites.com or www.CarlyleSuites.com under the "**SERVE AMERICA and STAY IN DC**" package. Complete 5 hours of community service (per room night confirmed) at the organization of your choosing and receive a 50% refund of your room rate (excluding taxes). Certain restrictions do apply and you'll be required to provide proof of your community service, but it's as easy as that!
- If you choose to donate the dollars instead, book your reservation at www.SavoySuites.com or www.CarlyleSuites.com under the "**SERVE AMERICA & STAY IN DC**" package and the hotels will contribute 50% of your room rate (excluding taxes) to any volunteer organization of your choosing located on VolunteerMatch.org.
